## OUT ON MIDNIGHT WALK, BULL IS CAUGHT BY COP

Patrolman Sam Jensen thought he was seeing things when, on patrol duty at 1:30 a.m., Monday morning, he discovered a bull calmly walking along the Bergen County railroad tracks near Harristown Road. He succeeded in apprehending the bovine and tied him to a pole. Then he went to headquarters and phoned John Van Der Wall, whose dairy farm is located at 486 Harristown Road, in the vicinity of the railroad.

Mr. Van Der Wall came and recognized the bull as his property, and that ended the nights escapade.
