#### JUDGE DOREMUS SPEAKS IN COMMUNITY S. S.

Last Sunday being Washington's Birthday, the officers of the Community Sunday School thought it very fitting that a member of the Society of the Sons of the Revolution should speak to the school. Mr. Kemp accordingly introduced Judge Cornelius Doremus who spoke briefly of George Washington, emphasizing the religious side of his character, mentioning his daily prayer throughout the winter at Valley Forge and bringing out that it was Washington's faith in God that helped win the Revolution.

He closed with the striking remark that, next to Jesus Christ, George Washington was the greatest man that ever lived.

#### WHAT IS YOUR NAME FOR THE NEW SCHOOL?

Contest starting now to pick most suitable name for new building – Idea of discarding number for name indorsed by many – Everyone invited to send suggestions.

The suggestion has been made in several quarters that the new school building be named rather than numbered, and the idea seems to the RECORD a splendid one.

This fine addition to Glen Rock buildings would hardly be enhanced in value if designated simply by a number, while [sic]

The fine building which Glen Rock expects to own would be belittled if designated simply by a number, while the educational and patriotic value of a name like the George Washington School or the Bunker Hill School is at once apparent.

With the approval of the Board of Education, therefore, the RECORD is herewith inaugurating a contest to choose a name for the new building. The most fitting name will be selected from among those submitted by a committee consisting of the mayor of the borough, the president of the Board of Education and the president of the Woman's Club, as representing the women of the borough. This, if approved by the Board as a whole, will then be the name given to our new school building.

The contest is free to all and will remain open till about May 1<sup>st</sup>. So let everyone sharpen their pencil and their brains and evolve a name worthy of our borough and its best traditions. Suggested names should be mailed, signed, to the Editor of the GLEN ROCK RECORD, Glen Rock, N. J.

#### DEATH OF FIFTY YEAR RESIDENT OF GLEN ROCK

William Folley of Doremus Avenue Passes Away After Eight Weeks' Illness.

One of the borough's oldest residents passed away on Monday when William Folley of Doremus avenue succumbed to stomach trouble after an illness of approximately eight weeks.

Born in Wyckoff fifty years ago he came to Glen Rock in 1875 with his parents, Abraham W. Folley, born in Saddle River, and Hester Ann Marinus, a native of Glen Rock. Mrs. Folley was a member of the old Marinus family, and at the time the family moved to Glen Rock they came back to occupy the old homestead on Doremus avenue. Both parents died some years ago.

Mr. Folley was of a retiring disposition, living in the family home now kept by his sister, Mrs. Jennie Robertson up till the time of his death. He was however a charter member of the Ridgewood chapter Jr. O.U.A.M. at the time of its organization. In business he was twenty-five years in the employ of the Manhattan Shirt Mills of Paterson. At the time of his death, he represented the N.Y. and N.J. Well Co., spending some time on the road but always at home over the weekend. His close association with his home and family leaves a gap in the home circle which is most keenly felt by the surviving members as well as his friends.

Funeral services were held this afternoon at 2 p.m. at the late home. Rev. W. J. Lonsdale officiated. Interment was in Valleau.

Surviving are three brothers, Harry of Goshen, John Edward of North Paterson, and Frank of Rock Road, Glen Rock, and three sisters, Mrs. Jennie Robertson, with whom he lived, Mrs. Margaret Marinus of Ferndale, and Mrs. Rachael Montress of 424 Doremus avenue, living next door.

#### SIREN TO BLOW AT NOON INSTEAD OF 8 P.M.

The fire siren is to blow at noon instead of at eight o'clock in the evening beginning a week from Monday, April 13<sup>th</sup>, it was announced yesterday.

The change has been made because of complaints received from residents that the noise was disturbing to their small children and babies who would ordinarily be asleep at that time.

#### THREE BOROUGH VISITORS COMMITTED TO JAIL

John Dunn, age 35, single, of New York City, Paddy Chambers, age 28, single of Jamaica, L. I., and Pat Sweeney, 37, single of New York City were arrested yesterday afternoon at 1:30 at the corner of Rodney street and Maple avenue, charged with being disorderly persons. They were taken to headquarters by Chief Houlihan and Officer Gery, where they were searched and a bottle of denatured alcohol found in their possession.

They were kept in the lock-up until evening, when Recorder Foster tried the case, found them guilty and committed them to Hackensack for ten days apiece.
